

Breathe Freely!

The effective and gentle way to clear your nasal passages

## PARI MONTESOL Nasal Douche with PARI MONTESOL Nasal Rinse

- loosens mucus
- cleans the nasal cavities
- moistens the mucus membranes in the nose

Specialists in effective inhalation

# Breathe freely again

## With the **PARI MONTESOL Nasal Douche** and the **PARI MONTESOL Nasal Rinse with Dexpanthenol**

You may be only too familiar with problems in the nose and sinuses:

- Colds, dry nose, stubborn congestion
- Adverse effects from dust, dirt and pollution
- Allergic reactions to pollen (hayfever)
- Chronic inflammation of the nose and sinuses
- Post-operative problems involving the nasal area and sinuses

### **PARI MONTESOL Nasal Douche**

Fill volume: 250 ml  
Item No. 177G1010

### **PARI MONTESOL Nasal Rinse**

250 ml (concentrate) for 30 rinses  
Item No. 177G1020

Nasal rinses with saline solutions can make an important contribution to easing your problem and preventing new illnesses. The caring characteristics of Dexpanthenol in the **PARI MONTESOL Nasal Rinse** have a positive effect on the nasal mucus membranes and support these effects.

### The **PARI MONTESOL Nasal Douche** is particularly user-friendly:

- Compact and easy to hold
- The Nasal Douche's flexible material allows you to control the nasal rinsing pressure
- Simple to clean in the dishwasher or steriliser

### The **PARI MONTESOL Nasal Rinse**:

- Natural brine from Bad Reichenhall
- With the soothing effect of Dexpanthenol
- Easy dosage with patented dosing chamber
